

## Jimmy Page

*Topic Expertise:*

One Word  
Principle-driven Leadership  
Positive Cultures  
Health & Wellness  
Maximizing Potential

Jimmy is an inspiring communicator, facilitator and trainer who challenges businesses, schools, sports teams, and non-profits with his contagious energy and enthusiasm to maximize their potential and make a difference. His extensive experience as an operator of for-profit and non-profit organizations and as a consultant gives him unique insight into how to create healthy, high-performing teams and organizations.

Jimmy is also a certified Nike Sports Performance Coach and hosts a radio program called Fit Fridays that promotes principles that lead to abundant health and life. He and his wife started an innovative cancer foundation called [believebig.org](http://believebig.org) following her victory over cancer.

Jimmy coauthored *One Word That Will Change Your Life* (with Jon Gordon), and *WisdomWalks* and *WisdomWalks SPORTS*. As a lifelong athlete, Jimmy is a coach, cyclist, and triathlete. He and his wife and four amazing kids reside in Maryland.
